Council Reviews Rezoning Policies

Two parcels of land in the Forest Lawn Subdivision came under application for rezoning recently and both received a first reading and are subject to public hearings before council is prepared to go further with development agreements.

Both areas under review measure about five acres each in size and are located north of Forest Drive, between Fairview Blvd. and abutting on property running parallel to Fair Oaks Drive. Staton Developments Ltd., owners of the land are seeking to have the southern half of the property

zoned from residential multiple family to single family while the northern half rezoned from row housing (R3) to apartments (R3A).

Town Planner J. Woodroffe was asked by council to comment on such applications where an area is up for rezoning. Mr. Woodroffe was quite emphatic in saying that he deplores, in general, the rezoning of a single-family dwelling area to either a row-housing or apartment zoning development. In his opinion he said that council was morally obligated to residents who bought a home in an R1

(residential) zone and suddenly find a multiple-dwelling development (R3 or R3A) mushroom up next door or even in an adjoining section of town.

Mr. Woodroffe agreed that owners of homes located in areas zoned R3 (row housing) haven't got much to complain about if an adjoining area is rezoned (R3A) apartments, because of the similarity of the development. "But where they have every right to get up tight," he said, "is where a development of row housing or apartments is admitted into a single-family dwelling

area."

The majority of councillors agreed with Mr. Woodroffe's theory but Councillor John deBruijn registered his opposition to the rezoning application, "until we see the plans of the proposed apartment blocks." Mr. Woodroffe came back into the discussion by saying that any town, considering development proposals ought to sanction such proposals with a first reading then consider all aspects of the proposal before going further. He explained that council, if not satisfied with development plans, despite a first reading, can halt the agreement until all provisions are met. "But at least, the proposal is on the table where it can be studied," he concluded.

Councillor deBruijn admitted that developers are usually in a hurry to get proposals going, but he cannot see why a development plan has to be given a first reading on a tentative basis, before the actual plans, elevations and specifications are seen.

When the vote was taken on the motion to give Bylaw 38/72 first reading which deals solely with an application to rezone the area from multiple family (R3) to apartments (R3A) the results came out 5 - 1 in favor of the motion. Councillor deBruijn stuck to his guns. Regarding the other area applied for rezoning by the same developer, covered under Bylaw 28/72 was passed in first reading at a previous meeting. It deals with an up-zoning application from multiple family (R3) to (R1C) one family residential.

Alan Briggs of Gibbons won the Reserve Champion trophy for showing the prize calf. Alan also won other accolades at the Sturgeon Valley Dairy Club 4H Achievement Day held recently at the Bockock farm. He came in third with his yearling, took a second with his two year old and a first in the 'herd' category.

Sharpshooters Kill Pet Cat

There's a very sad little family of kittens trying to survive at 43 Sunnyside Crescent. They're sad because their mother was shot a week ago last Friday by local youngsters toting a rifle.

The little mother gave birth to six kittens at 43 Sunnyside Crescent recently and that happy event was heralded by most of the children along the street... excepting a couple of youngsters who own a gun.

On the fateful day, mother cat decided to leave her little family and go out for a stroll in the undeveloped portion of land just north of Jasper Auto Parts. That's where a couple of local

youngsters, armed with a gun, shot the strolling pet. Horror-stricken children who witnessed the shooting immediately notified the owners of mother cat and since then the kittens have been kept alive by means of baby bottles, tiny nipples and a milk formula prescribed by the veterinarian.

At last report, the kittens were probably going to survive... but the whole neighborhood bemoans the useless joy-killing of this very important pet... important to her six kittens and important to her little friends who miss her.

Why do parents permit their irresponsible children to have guns?

Council Roundup

Coming under the 'New Business' segment of the general meeting of July 4, Councillor R. Hudson complained about the tight scheduling at Grosvenor Park Pool. He admitted the situation wasn't a new problem nor had it just recently come to light, but he said that in his opinion St. Albert should be looking real hard toward constructing a second facility. To make his point more graphic he described the re-

cent registration of the Learn-To-Swim students when hundreds of youngsters stood in line to register while some had to be turned away because of oversubscription. Councillor Hudson concluded by saying that, "maybe we could think in terms of a second pool... somewhere like in Neighborhood 10."

Councillor Frank Lukay asked for a complete report

Another member of the working staff at Lions Park is Shirley Goldstick, supervisor of the youngsters using the playground during the summer months. Miss Goldstick, playground supervisor is on the payroll of the Lions Club for the remainder of the summer. Left to right riding the playground pony are: Denise Marie Taschereau, Lee Robert Taschereau, Darrell Hayden, Mark Waygood, Douglas Hayden and Shirley Goldstick.

Children's program going at Lions Park

Shirley Goldstick has a barrel of ideas and plenty of enthusiasm for her summer job at Lions Park as supervisor of children's activities. She is beginning her second week, and would welcome any high school students who would like some experience in playground work, on a voluntary basis. Shirley herself got her first experience in recreation as a student volunteer in a summer day camp.

Any students interested should telephone her at 488-5886 after 6 p.m. One event to be planned is a Penny Carnival.

Miss Goldstick, who is a niece of Tiger, conducts games and songs, handicrafts and creative drama at opportune times during the day, according mainly to the interest of the children present. She also keeps a watchful eye on the young-

sters playing on the monkey bars, slides and other playground equipment.

This week she is attending a First Aid course mornings, and is on duty at the park from 1:30 until 6 p.m. or later if there are children about.

Beginning next week, and until Labor Day, Shirley will be on duty from 10 a.m. to 6 p.m.

Library Offers Friday

Sessions For Preschoolers

The St. Albert Public Library will offer mothers of preschoolers a chance to escape this summer. Every Friday morning until the fall from 10 to 11, the library will provide stories, games, and songs for preschool youngsters at the library. Two student library staff members, Donna Crossley

and Jill Leggett, will entertain those who attend and the puppets from Sesame Street will be dropping by to visit. So plan now to see the Cookie Monster at the library.

All preschoolers are welcome at the library every Friday morning between 10 and 11 during the summer.

Immediately following the strategy meeting held recently prior to launching the \$20,000 Sturgeon River clean-up project, the above key officials involved in the project were photographed. Back row (left to right) Capt. Donna Lynch, Militia; Capt. W. N. McKerracher, Reg. Force; Mayor Ray Gibbon; Major Lee Ahlstrom, Militia and Capt. Norman Lynch, Militia. Front row (left to right) John Beedle St. Albert Parks Superintendent and Claude Vallieres, parks foreman. These are the people who are destined to make this pilot project a great success.

Tuesday morning four Breakfast Lions were presented with special awards by Past District Governor Angus Murray. The recipients who are responsible for bringing into the club the most number of new members during January and February 1972 are: Lions John Kaminski, Chuck Meurin, John Huberdeau and Dr. W. Cuts.

Town Council

Continued from page 1
from staff regarding the proposed underground power supply line serving the new Paul Kane School presently under construction. Councillor Lukay was especially interested in knowing who owns what portion of the installation, whether Calgary Power, the Town of St. Albert, each or both. Chief Town Administrator Dan O'Connell explained in part that the installation became partly owned by the town as debenture payments were made. Mr. O'Connell did admit however that the formula used in such a capital-apportioning situation was rather complex and before hard figures were given, the project would have to be thoroughly studied. Councillor Lukay's motion that a complete report be submitted passed a vote of 5-1. Mayor Gibbon cast the dissenting ballot.

Councillor R. Thronsdon asked for a report from the Transportation Committee as a result of complaints from residents who feel now that St. Albert is expanding into new subdivisions, ought to expand bus services. Mr. Thronsdon first set a deadline for the report for early in August. Councillor deBruijn suggested that at this time of year, when staff is hampered by holidays, dead-

lines should be made more flexible. Councillor Thronsdon agreed by modifying his request for a report, "sometime in August, if possible."

Councillor Rene Kambourff brought the house down when he asked if the Town of St. Albert had a bylaw permitting a resident to use a pet sheep in his yard, "as a lawnmower." This question evoked a few prize suggestions, including one from Mayor Gibbon who hinted that, "barbecued lamb would be delicious."

In a more serious vein, Councillor Kambourff asked why the arena was invariably surrounded by a mire of muddy water after every rain. He suggested that the eavestroughs should be checked and down-pipes affixed to drain the water away from the building.

Town Engineer Jan Mandag reported that rains were coming too frequently this summer to permit his department to grade the arena grounds, especially on the north and west elevations. He promised however that soon as the terrain is firm enough, "we'll correct the levels so that run-off water drains away from the building."

Councillor John deBruijn wanted to know who was responsible for keeping

boundary fences in order. He reported that, "a particular fence in the Lacombe area is in need of repairs." Mr. deBruijn was informed that the mending responsibility was up to the property owner whose land abuts on that portion of the fence.

Debunking The Day Care Mythology

By Howard Clifford

Director of Day Care Services, City of Edmonton. This is the first of a series of public information articles in regard to Day Care.

The St. Albert Day Care Society hopes that this series will answer many questions parents have regarding Day Care.

For further information about the St. Albert Day Care Centre, phone Kathy Stewart at 599-6756.

MYTH #1 - DAY CARE IS A COLD INSTITUTION

It is true that some Day Care Centres in Canada present a non-stimulating, custodial - focussed milieu which will likely result in emotional and intellectual damage - not much different from the cold, sterile, under staffed orphanages that existed a couple of decades

ago.

No knowledgeable person would argue that group care of children is without hazard. What we are talking about involves relationships of human beings to other human beings. There is nothing colder than a rejecting, all-important mother as far as the child is concerned.

Psychiatric services are overtaken by people who have experienced a crippling relationship with their parents. The question is not one of parental care as institutional care; but is a

question of quality relationships.

Well staffed Day Care Centres, in partnership with parents, have not only proven to be safer than haphazard child care arrangements, but have also demonstrated that emotionally and intellectually, the children receiving good day care are advanced beyond the children, matched socio-economically who have not had an equivalent pre-school group experience.

Notice of Intention

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close and sell St. Thomas Street between Grandin Road and Tache Street and the laneway north of Sir Winston Churchill Avenue between Grandin Road and Tache Street.

Section 175 of the Municipal Government Act, Chapter 246 R.S.A., 1970 as amended provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw #30/72 has been prepared and will be presented to council on August 8, 1972 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on July 12, 1972.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until August 4, 1972.

Kathleen Byrne married in St. Albert

MR. AND MRS. ROBERT PRECLAW

The Rev. Father Colin Levangie conducted the wedding service uniting Robert Preclaw, son of Mr. and Mrs. George Preclaw of 13012 - 124 Ave., Edmonton and Kathleen Byrne daughter of Mr. and Mrs. Jim Byrne of St. Albert. Scripture readings were given by Michael Ross and Barbara Preclaw, sister of the groom. Wedding music was by organist Bertha Kennedy and vocalist Pat Byrne, brother of the bride, accompanied by his sister Maureen on the guitar. The ceremony took place in St. Albert Roman Catholic Church on July 1st.

Coming down the aisle with her husband to be, the bride was demure and lovely in a long gown of white flocked organza, featuring a full skirt fashioned in three tiers, long leg of mutton sleeves, and empire waistline. The square neckline of the dainty bodice was accented by a gold Celtic cross, gift of the bride's grandmother. Mrs. Patrick

Byrne of Dublin, Ireland. She carried a bouquet of fresh cut flowers, with matching flowers in her hair.

Bridesmaid, Miss Pat Lyndon of St. Albert wore a long gown of sapphire blue and Mr. Bill Forbes of Edmonton attended the groom as best man. Richard Preclaw ushered the wedding guests.

Following the ceremony an Open House was held at the bride's home. Mrs. Byrne received her guests in two-piece silk knit ensemble of pale pink. Mrs. Preclaw chose a two-piece outfit in corollary blue. Special guests included the bride's grandmother, Mrs. C. A. Coughlin from Calgary and the groom's grandfather, Mr. Stanislaus Pajak, and three great aunts of the bride, also from Calgary. About 80 guests attended the informal reception.

Mr. and Mrs. Preclaw are making their home in Edmonton, following a wedding trip to the Okanagan.

Around Town

The Summer Helpmates, operating a summer day-care type of project out of Robert Rundle School, under the sanction of the federal Youth for Work Program announced this week that their original plans to care for children of single parents have been altered. Due to a low enrolment of single-parent children, spokesman for the Summer Helpmates, Sherry Miller said they will now accept youngsters from any family. "In other words," Miss Miller said, "we're prepared to accept children between the ages of 2 to 9 from any family." Miss Miller further explained that while consulting with her superiors, she was told that

the Summer Helpmates are not restricted to caring for children from single-parent families only. Residents of St. Albert and area who have children between the ages of 2 to 9 years and would like to enrol them with the Summer Helpmates, simply call 599-6550 for further information.

Members of the Lions Breakfast Club and Lady Lions are taking the senior citizens on a picnic this Sunday to Elk Island Park. All lunch and refreshments will be furnished and the senior citizens are asked to be at the Community Hall at 9:30 a.m., ready for the bus. A warm invitation is ex-

tended to all older folk to come along and join in the fun. If the weather is bad, an indoor party will be held in the community hall.

Gilles Bourgeois who acted as a most capable and entertaining master of cere-

monies at the wedding reception for Dawn Kam-bouroff and Maurice Arcand, was undoubtedly surprised, along with the guests, to see himself described as Gerard Arcand in the Gazette. Sorry about that Gilles!

Over 200 kids at camp to date

In the period from June 26 to July 10, 206 local youngsters attended Camp Lacombe, about two-thirds of them from the St. Albert Parish. Seventy boys took in the 7-9 years camp and 56 girls attended the camp in that age group. In the 10-12 years camps there were 45 boys and 35 girls. The only casualty over six years at Lacombe happened this year, when Michael Lovejoy suffered a broken arm. The camp for boys and girls aged 13-15 years is

scheduled for July 18-27, and there are still openings. People interested should contact Kay Oddleifson at 599-7553, as she is taking registrations now.

During August Father Ron Poirier reports a general repair clean-up and renovate program will be carried out at the Camp, mainly by volunteer workers.

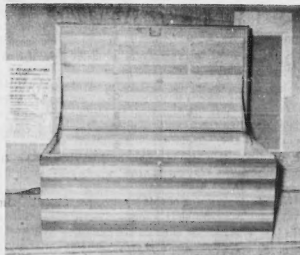

Mr. Ross Johnston is Camp Director and all the staff are local teens with the exception of the cook.

Reader Comment Opposes Street Closing

The Editor:

As a long time resident of St. Albert, and one who is interested in the beautification of our Town, I was distressed to learn of a proposal by the Town Council, of a move which, I think, is ill-considered. I am referring to the closure and selling of St. Thomas Street from Grandin Road to Tache Street.

This part of the street fronts the wooded part of the Lions Park. In the past this area of the park was being developed slowly. However, during the last year, some twelve thousand dollars and a lot of donated

labour was expended in park improvement. The wooded area is shaping up and it is a pleasure to drive past the park and enjoy the scenery and the activities therein.

Now, just when it is becoming a scenic area, the Town Council proposes to close St. Thomas Street and sell it and consequently hide the park from view. I for one, strongly object to this short-sighted proposal and hope that many others will voice their objections likewise. We simply must stop this irreparable damage to what is becoming a beauty spot in our town.

William D. Cuts.

Part of the Local Initiatives Program, Phase 2 in Lion's Park is the cleanup and maintenance of the entire recreation area. The \$6,300.00 LIP grant will permit the St. Albert Lions to employ workmen to clear underbrush, clear camping areas and just generally bring this very popular local park up into a first-rate recreational facility. Two of the workmen seen clearing and cutting firewood are Milton McMahon of 19 St. Vital Ave., and Philip Birks of 44 Gillian Cres. Besides the hired workmen, Lion volunteers are contributing valuable help and expertise, all in an effort to make the LIP grant extend through the remainder of July, all of August and into September.

Founded in Canada WI marks 75 years

The Women's Institute is this year celebrating the 75 anniversary of its founding in Stoney Creek, Ontario on February 19, 1897.

A woman who lost her two-year-old son after he drank impure milk, Mrs. Adelaide Hoodless, was largely responsible, working with Eric Lee of the Farmer's Institute. After hearing Mrs. Hoodless speak to a farmers' meeting at the Agricultural College at Guelph about the tragedy in her family, when she told the meeting she was working to have domestic science taught to girls in schools, Mr. Lee invited her to speak to the Farmers' Institute on ladies night. It was the first time a woman had been invited as speaker, and again she spoke on the need for women to be informed.

Either on her suggestion, or on Mr. Lee's, the first meeting of the Women's Institute was called, and attracted a hundred women of the Hamilton-Stoney Creek area. The only living charter member is Mrs. J. McKinley Morden, 95, who is

The Lily of the valley, the birthday flower for May, tells of purity, natural sweetness and humility. Many Canadians continue a custom brought from France, and on May first give a sprig of this lovely flower to friends as a good luck token.

living in a nursing home in Burlington, Ontario. Mrs. Morden gives Mrs. Hoodless the credit for suggesting the WI, but an early history of Women's Institute said Mr. Lee called the first meeting. The dispute is foolish says

Mrs. Morden, because it was these first 100 women who made the movement a success.

The movement is now world wide and for 75 years has pursued the original goal of helping women become

more informed. Their work in many settlements, over all those years, has improved the quality of life both for the women members and the communities which they serve in many useful and important ways.

Simpson School Group Bound For P.Q. French Crash Course

The eight students of Sir George Simpson Junior High School who comprise the Simpson French Language Enrichment Group, together with their faculty advisor, Mr. Atken Armenian, and Mrs. Armenian, boarded the CN streamliner "The Supercontinental", Tuesday, July 4, on the first leg of their six week study trip to Quebec. A crowd of well-wishers, parents, brothers and sisters, and friends, including Mr. Bob Fraher, principal of Sir George Simpson, was on hand at the CN Terminal to see them off.

The students will be spending three days in Montreal where they will be staying with local families, studying French-Canadian history and customs, and then will go to Quebec City where they will take part in a special five week French Language Course at Laval University. The group expects to cover the equivalent of two years of French language in this course. While in Quebec, the group will visit homes in Quebec City and the surrounding area to learn as much as possible about the French-Canadian way of life.

The eight students; Teresa Bissonnette, Marita Dyrbye, Melanie Erickson, Cornelius Hadziyev, Carole Anne Hapchyn, Lianne Madsen, Carol Rasmussen, and Jo Romanov, raised the bulk of the funds needed to finance the trip through a series of sales of Canadian crafts, cheeses, hot dogs (at the school's Winter Carnival) and books, at a Book Fair. They received grants from the school board and the Lion's Club, as well as gifts from the St. Albert

business community. Each participant in the trip, including the faculty advisor and his wife who are acting as chaperones, also contributed funds to cover the total expenses of the study trip.

The students expect that the trip will not only give them a greater knowledge of the French language, but

also a better understanding of the peoples of French-Canada. They hope to return with both a written and filmed documentary of their trip, so that they may share their experiences with the rest of the community.

Villeneuve Wins at Calahoo

The team which most people felt didn't have a shot to win, turned giant killers in the annual 12-team Calahoo fastball tournament last weekend.

Villeneuve, coached by Alvin Logotar and strengthened by four Grandis Esso Tiger players, Mike and Perry Hampel, George McNeel and Greg McRae, came from a 7-0 deficit to upset Spruce Grove Panthers 8-7 in the final game, to win A section prize money

of \$150.00.

In regular Sturgeon Valley league play, Panthers are on top of the seven-team league while Villeneuve are on the bottom with only one win all year.

The winners opened the tournament with a 5-4 win over University with Mike Hampel picking up the win.

In their second game, George McNeel was the winning pitcher as they won 7-3 over Northern Point.

Villeneuve then drew a bye into the final and par-

layed their good fortune into their victory over the Panthers.

Panthers reached the final with a come from behind win over host Calahoo. Behind 11-3 Panthers took advantage of some erratic Calahoo pitching and some good hitting to tie the game in the sixth inning and then win in the seventh when Calahoo pitching walked in the winning run.

Rite Equipment won B division money with an easy win over Josephburg.

Saints finish second in Warburg

St. Albert Willowbrook Saints lost 11-5 to Warburg Buffaloes in the final game of the Warburg baseball tournament last weekend and took home \$100 for second place prize money. Veteran Newel Pickeral was the winning pitcher, while Chad Simmons took the loss.

In the semi-final, Saints

bombarded Devon Kings 19-3 with Jim Nelson going all the way for the win.

The opening game of the tournament saw young right-hander Wayne Biggs pitch

the Saints to a 9-2 win over Drayton Valley.

The Saints are at home tonight for a game with the Leduc Oilers. Game time is 7 p.m.

Sailfish Add Laural In Camrose

The Sailfish Swim Club has added another victory to its credit with a narrow win in Camrose on Sunday. The all-relay meet against 11 other clubs was a hard fought battle all the way. Although the Sailfish jumped into the lead at the first event, Camrose was never far behind. At the intermission, after 20 events, the score stood at 151 to 150 for the St. Albert team, and the final score after 34 events was 255 for the Sailfish and 242 for Camrose.

Hampered by the absence of several swimmers on holidays, coach Don Croft was forced to juggle his teams. On many occasions swimmers competed against older age groups. Outlets, competing in a mixed open 200 meter free style relay, consisted of two senior boys and two girls from the 10 and under age group, who turned in a very creditable performance.

Final standings were: St. Albert - 255; Camrose - 242; Wetaskiwin - 149; Stettler - 121; Hinton - 76; Fort Saskatchewan - 73; Didsbury - 48; Olds - 31; Hanna - 30; Leduc - 16; Lacombe - 13; Ponoka - 11.

The next meet will be in Hinton on Sunday, July 16th.

At the club meeting held Thursday in the St. Albert Library, 34 members attended. The new executive was elected: President, FSC - Peter McCaffery, secretary treasurer - Peter Pasenka; touring organizer - Kara Jones; racing secretary - John Bartlett.

The club has made plans to raffle a \$795 handbuilt Alex Singer 10-speed from

Paris, France; tickets from all club members and Bruin Inn.

The club will give honorary memberships to Bob McCord and Wes Montgomery of Radio CHED for their efforts to publicize cycling by riding a tandem bicycle from Calgary to Edmonton. Official presentation will be at Mayfair Park on Sunday, July 16 when the club members are volunteering their services to CHED's bicycle picnic.

The fourth race in the Purple Duds series of events starts at 7:30 p.m. from the Dots on Thursday, July 13. All are invited to ride and there will be a special novice trophy awarded to the best newcomer in the series. Details from 599-8704.

All Stars meet Sabres in Bantam Soccer Friday

On Friday, July 14 the Bantam All-Star team from the local league will kick off at 7:30 p.m. against the St. Albert Bantam Sabres at the St. George Simpson soccer field.

The All-Star team is made up of three boys from each local bantam team who have been selected by their respective coaches.

Last Friday evening the St. Albert Peeewe Sabres downed the Peeewe All-Star team 5 - 0. As this was the first time the All-Star team had played together as a team they performed reasonably well. We hope to arrange a few more of these games during the summer to give the All-Stars a chance for revenge. The St. Albert Peeewe's all showed a fine soccer ability especially wingers Kevin Telford and Martin Holden.

The practice schedules for the local leagues start on Wednesday. They will consist of one game a week for each team. To provide some organization and provide a summer schedule would coaches play according to the first seven scheduled games and locations shown on the May-June schedules. Mite, Atom and Bantam games are scheduled for a Wednesday evening and Peeewe games on a Thursday evening. However if necessary, games may be re-scheduled upon agreement between coaches of the opposing teams.

Please ensure that all registered players who are available are utilized to form a team before non registered players are considered to bring the team up to a maximum of 11 players for any one game.

Due to a recent change in scheduling of juvenile games the proposed match between the coaches and the juvenile team, originally scheduled for Saturday, July 15, may have to be postponed until a

later date. Everyone involved will be advised as soon as a final decision is made.

All coaches will be contacted during the next two weeks to verify results of games received for the May-June schedule. This is to ensure that final league positions are correct and also to calculate handicaps for the Handicap Tournament in September.

Sturgeon Valley fastball playoffs open Wednesday

Playoff action in the Sturgeon Valley Men's Fastball League gets underway tonight with four of the top six teams beginning their best of three series.

Third spot Stony Plain Playboys play host to fifth place Spruce Grove Eagles while sixth position Grandin Ezzo Tigers travel to Cala-

hoo for a game against the fourth place Chiefs.

The two top teams, Spruce Grove Panthers and CJD-A1 have the bye and will play the 1/4 final winners in a best of three series.

The two winners will then break up in a best of three for the league trophy.

Final league standings are as follows:

	Points
Panthers	19
CJD-A1	18
Stony Plain	16
Calahoo Chiefs	14
Spruce Grove Eagles	10
Grandin Ezzo Tigers	4
Villeneuve	3

Third Place Dodgers Win Trophy

The Squirrels League composed of girls 8 - 11 years old held their play-offs last week with the third place Dodgers winning the championship.

Joan Kelly's "Sluggers" in first place with five wins and a loss, got the bye while Betty Dianocky's (second place) "Wildcats" tangled with Frank Vettergreen's "Dodgers" in the semi-final. This was a tight battle all the way with Dodgers emerging the winner 8 - 6.

In the final game against the Sluggers the Dodgers were on the bottom end of an 8 - 2 score going into the sixth inning. But it was never-say-die for the Dodgers as they exploded for 13 runs. Final score Dodgers 15 - Sluggers 13.

Congratulations to Coach Frank Vettergreen, assistant coach Al Fenton and all members of the Dodgers.

Following is the lineup:

Catcher - Lauren Crooks; pitcher - Jackie Anderson; 1st base - Shelley Fenton; 2nd base - Tracie Crooks; 3rd base - Barbara Anderson; S.S. - Irene Rasmussen; fielders - Diane Newman, Leslie Forbes, Fran-

cis Vettergreen, Amy Vettergreen, Susan Abrahamson, Charlene Scharf, Theresa Connelly; 3rd base or field - Kathy Collins.

Ouellette - Jodoin Wedding

On July 1st Miss Joanne Jodoin, daughter of Mr. and Mrs. Omer Jodoin of Red Deer, and Mr. Armand Ouellette, son of Mr. Paul Ouellette of St. Lina were united in a double ring ceremony in Edmonton, performed by Rev. Father Hesse, pastor of St. Andrew's Church.

Entering the church on the arm of her father, the charming bride chose a white floor length A-line gown with white applique flowered trim. Her matching veil fell into a train and she carried a cascade bouquet of red roses. She was attended by Mrs. Joyce Cyr of Edville and Mrs. Sylviane Ouellette of Edmonton. Both were gowned in floor length mauve dresses and carried mauve orchids trimmed with carnations.

Best men were Mr. John Cyr of Edville and Mr. Marcel Ouellette of Edmonton. Ushers were Messrs. Raymond and Ronnie Ouellette of St. Lina.

Following a wedding banquet at the Bonaventure Motor Hotel the bridal party joined 150 guests for a wedding dance in the St. Albert Community Hall. All of the groom's 15 brothers and sisters and his father were in attendance at the dance. They came from Vancouver,

Lillian Vague Ends 25-year teaching Career

June 22 was a special day at Sturgeon Heights School, when pupils, staff, school board officials, family and friends gathered to honor Mrs. Lillian Vague on her retirement from the teaching profession.

Mrs. Vague began teaching for the Sturgeon School Division in 1946 in St. Albert School which was situated where the St. Albert School District #3 now stands. When the little Father Jan School was opened, she taught the grade two class in that building. When the new school was built on Mission Avenue she was transferred to it and it was her choice to name it Mission Park School. Mrs. Vague taught in this building until it was closed in 1971, and she spent the 1971-72 term at the Sturgeon Heights School.

During her 25 years in St. Albert Mrs. Vague has had many students pass through her classes. She has found in recent years, children of former pupils on her register. She recalls that in a grade seven class of a number of years ago, a boy named Hector Gervais to whom she gave a few lessons to in the sport of curling.

Mrs. Vague has always been an active sports enthusiast. She has coached both boys and girls teams to victory in many fields of sports. She will be remembered for her concern and guidance by all her former pupils and also for the leadership and sportsmanship which she so ably impressed upon them.

Mr. F. J. Robinson, superintendent of schools for Sturgeon School Division

gave a resume of Mrs. Vague's teaching career and called upon Mr. John McDonnell, chairman of the board to present her with a scroll and wrist watch in recognition of her long and faithful service. Mrs.

Gibbons declares Aug. 7 holiday

The request from STEP for monies to aid in creating entertainment for the Senior Citizens of the community was granted and a cheque will be deposited to the account of the Gibbons Senior Citizen's Club.

Mayor Holmes has declared Monday, August 7 as a civic holiday for the Village of Gibbons.

The tractor that the members of council decided to purchase will be available in about a week. This is a tractor with a front end loader, three point hitch etc. that was looked at among several others.

The recreation bylaw was read three times and finally

Lois Hole then presented her with a set of luggage from the school board, along with the hope that she put it to good use in her retirement. The principal of Sturgeon Heights, W. J. Herper, presented Mrs. Vague with an engraved gold pen and pencil set on behalf of the staff.

Donna Lloyd and Ken Rubillak made a presentation of jewellery on behalf of the students of the school. Staff representative of the ATA, Mrs. Ozoroff, presented Mrs. Vague with a crystal bowl on behalf of the Alberta Teachers' Association.

Mrs. Vague very graciously thanked everyone for their good wishes and beautiful gifts.

Mr. and Mrs. Vague have made their home in St. Albert, and have been active in community work since 1946. They raised a family of two sons and a daughter and enjoy spending time with their 11 grandchildren. They will leave shortly for a motor trip through Canada and the United States and best wishes for a safe journey and good health go with them.

AROUND STURGEON

The Gazette regrets that space does not allow running team pictures for the minor baseball and softball teams, due to the great numbers of these through the Sturgeon MD. This week we regretfully had to return eight pictures from one community only.

Secretary Earl Yeo will be on holidays starting July 17 but the office will be opened every afternoon as usual by Mrs. Ada McLean.

Florence McGinnis, chairman of the Morinville Recreation Board, presents a cheque for \$100 to Marjolaine Chamberland of the STEP program for providing recreational activities for senior citizens. The Lions and the Board of Trade also gave \$100 and the Femmes Chrétiennes donated \$25 for the summer program.

Morinville aids Senior Citizens

Four local organizations headed by town council through the recreation board, made cash donations totalling \$325, to the summertime STEP program for providing recreations for senior citizens. The funds will support the work of the program in Morinville and district. Miss Marjolaine Chamberland, who is assisted by Laurent Colombe in organizing the activities for older people, accepted the cheques.

Florence McGinnis, chairman of the rec. board presented \$100 on behalf of the town. \$100 donated by the Board of Trade was presented by president Romeo Boissonnault and Robert Anderson, president of the Lions Club presented \$100. The Femmes Chrétiennes gave \$25, which was presented by Germaine Beland, president.

4H Council disappointed with poor rally turnout

By Tom Bowman

The annual rally of the Sturgeon 4H Council was held on Thursday, July 6 at the Alcomdale picnic grounds. Due to the overcast sky the outdoor events were cancelled and the supper and dance were both moved inside. There was a very small turnout for the supper and only a few more attended the dance.

It must have been very disappointing to the people of the Alcomdale area who had gone to an awful lot of trouble to make it a successful evening.

This rally is the only way in which 4Hers from all over Sturgeon meet and get to know each other, once there is no more curling or bowling for the members.

Alcomdale was well represented as was Villeneuve and a few from Rivière Qui Barre but only one club was represented from both Bon Accord and Namsa and no members were there from Gibbons. It's a real sad situation. Whatever happened to all our 4H spirit?

However the ones that were there had a real good time thanks to June Borle who was a real great m.c. Everything from a broom dance to a butterfly.

The council would like to extend a sincere thank you to the people of the Alcomdale area for the time and effort they put into the rally.

District Beef clubs plan July 18 Sale

Everybody interested in the forthcoming sale by 4H Beef Clubs in the MD Sturgeon is more than welcome to attend. The calves are all prime beef, representing training and hard work by the 4H people in Sturgeon. Nothing would give the young people a bigger boost than seeing alot of district people at their sale.

The sale will be held at the Sales Pavilion at the Edmonton Exhibition grounds on Tuesday, July 18 at 7 p.m.

"Are you father and mother in?" asked the visitor of the small boy who opened the door.

"They was in," said the child, "but now they is out."

The visitor corrected the boy: "They was in? They is out? Where is your grammar?"

"She's gone upstairs," said the boy, "for a lay down."

The Gibbons Sunday School Circle will be touring Silverwood Dairies Ltd. and the O. S. Longman Bldg. (District Home Economist Lab) in Edmonton on July 13.

The circle received fine support from the people of Gibbons during the recent survey conducted by our organization.

A donation was made to June Fraser, who is attending a Mu-ic Camp this summer. Helen Fearnley was presented with a silver spoon from the club as she has now moved from the district.

Albert Craig named Citizen of the year in Morinville

By Rose Martel

Mr. Albert Craig, of Craig's Manufacturing Ltd. was named Morinville's "Citizen of the Year". The Morinville Lions Club, who sponsored the annual award, received six nominations this year, which were evaluated by a panel of three independent judges: Paul Emile Brochu, Cpl. David Hooke of the RCMP and Camille Gregoire, Royal Bank manager. The presentation of the trophy accompanying the award, ordinarily part of the Frontier Daze program, was delayed due to a death in the Craig Family. The Lions made the presentation at their July meeting, chaired by President Dave Keger.

ALBERT CRAIG

Mr. Craig is a leading businessman and manufacturer in Morinville, coming to the town in 1947 as a young veteran of the RCAF. With a partner, Bob Fladlay, he purchased the blacksmith shop from the late August Krauskopf, adding a welding service.

In 1948 he married Lorette Forcade and the same year purchased the parcel

Be kind to your friends. If it weren't for them, you'd be a total stranger.

of land where Craig's Manufacturing is located today and began building his manufacturing business, after having assumed full ownership. Heavy commercial welding units for gas and oilfield work were added to the mobile welding and farm machinery report operation extended. He also began manufacturing his own line of farm machinery, and began export of these in 1958.

With contracts coming in from outside the province and enquiries from as far away as Peru and Australia, Mr. Craig focused attention on Morinville. He takes part in many farm machinery exhibitions in western Canada and U.S.A.

He served as town councillor from 1958-61 and has been an active member of the Morinville branch of the Royal Canadian Legion, and the Board of Trade. He has supported the Cool Spoolers 4H club, junior hockey and

junior ball and is at present the sole sponsor of the senior baseball team, whose crest he designed himself when he provided new uniforms.

The Craig family, with three sons and three daughters have also been good church supporters and generous in their support of Frontier Daze. Their son Robert, 21, is now a partner in the family business and Vincent, 16, works here as well. Also with Danny, 12, all three boys serve as altar boys. The daughters, Louise, Rita and Connie have all been queen contestants for Frontier Daze.

The Craig family have also supported the Red Cross, Cancer Drive, CNIB and similar drives in Morinville. Morinville's Citizen of the Year emerges as a fine community worker and leader, worthy of the recognition and honor bestowed upon him.

MORINVILLE MEMOS

By Rose Martel

Due to circumstances beyond the control of the organizers, the visit to Fort Edmonton by the Morinville Senior Citizens group, had to be cancelled. The next outing will take place on August 9, and it is hoped that the same tour may be included on that day, to Story Land Valley Zoo, Cheek with Mrs. Kenny DeFennanourt for more details.

A notice to all our local correspondents and advertisers: the new deadline for news items and local advertising is FRIDAY NOON, for the following week's edition.

Several families have been bereaved this past week.

On July 1st, Mrs. Anne Kreway passed away suddenly at the age of 67, a victim of a heart attack at her home. Funeral services were held in Edmonton on July 4th and interment followed in the Bon Accord cemetery with Rev. A. Chomiak officiating. She is survived by her husband, Ignaty of Bon Accord; four sons and one daughter: Nick of Morinville; Harry of Edmonton; John and Joe of Morinville; Mrs. Cassie Ozpko of Leduc; 15 grandchildren, two brothers, Stanley Trutch of Edmonton and Joe Tracy of Neston.

On July 4th, Mr. Alphonse Joseph Lacasse, 76, of Edmonton died after a very long lingering illness. He leaves his widow, Maria (Courchesne) in Edmonton, three sons and four daughters: Omer, Regina, Sask; Alphonse, Dallas, Texas; Edward, Grande Prairie; Mrs. Annie Leduc, Radville, Sask. Mrs. Dallas Logan, Morinville; Mrs. Albertine Duperron, Edmonton; Mrs. Germaine Bischoff, St. Albert; 32 grandchildren, 18 great grandchildren; two sisters, Mrs. Annie Cartier, Westlock and Mrs. Lena Sheehan, Westlock; one brother, Joseph at Fairview, Alberta. Funeral services were held last Saturday at St. Joachim's in Edmonton and interment followed in St. Albert R.C. cemetery.

At 12:15 a.m. on Thursday, July 6th, Mr. and Mrs. Victor Tourangeau had a very loud caller. A car reported driven by Dwayne Faucett of the district crashed out of control into the front porch of their residence on west main street in Morinville; sporting a fire hydrant and a stop sign on the engine. He was welcomed by the family, in night attire, but later the RCMP and firemen took care of the car and its ambitious driver.

The old Alberta Hotel is soon to become the victim of a challenging bulldozer that will level the ground in record time, to make way for the new Frontiersman Hotel. The old hotel is scheduled to close its present doors at the end of July, according to present plans said Mr. Ed Kryskow, who will manage the 'Frontiersman'. The interim manager is Alex Montpeller, assisted by Laurence Fusch.

Mr. Pete Gibeault, chairman of the Frontier Daze executive, reported this week that although plans are not all fully co-ordinated, the tentative date for the Frontier Daze Demolition Race, Chuckwagon and Chariot races and ball games, is August 13. Nothing official yet.

On June 28 over 30 Senior Citizens enjoyed an afternoon of films, both English and French, in the Morinville Recreation Centre. Ladies of the Legion Auxiliary supplied the goodies for the tea that followed.

On July 5, 33 senior citizens from Morinville and district enjoyed a lovely day at Long Lake. They picnicked on the green after a most leisurely morning drive, with a soft breeze and warm sunny weather prevailing. Fishermen and fishing ladies, lines in tow, took off for an afternoon on the clear lake waters. The remainder were treated to a cruise on Centennial 111, thanks to the courtesy of Mr. and Mrs. Richard Arcand and their

The preacher of a country church called his congregation together to pray for rain. As the service opened, he stood in the pulpit and surveyed them with a distinct look of disappointment on his face.

"Oh, ye of little faith!" he exclaimed. "We are all gathered here to pray for rain, and not one of you has brought an umbrella."

Be it ever so humble, there's no place like home for exceeding the original estimated cost by at least 50 per cent.

son Marcel, who was captain for the afternoon, and his Swiss wife, Lucie a charming hostess to one and all. While travelling, four languages were spoken by the group: English, French, German, Belgian and Flemish.

Coming home the group passed through a hailstorm near Redway, but the sun was still shining when the bus delivered the last passenger at his doorstep. As announced the July 26 day out had to be cancelled, but the next tour is scheduled for August 9.

Congratulations to Mr. and Mrs. Melvin Hittinger who welcomed their son Jason John, on June 22, which also happens to be proud father Melvin's birthday. Born one month premature, young John has already gained enough to tip the scales near five pounds. He is expected home next week.

Hail storms have been reported in various sections of the M.D. On June 26 a strip three miles wide and six miles long was damaged near Redway. And on June 28, a strip southwest of Morinville reported pea sized stones, covering the ground, damaging crops and gardens. Another hail storm was reported in the Legal district last week.

Among those reported on holidays are the Leonard Gibeault family visiting the Gibeault's in Yellowknife, N.W.T., and the Tom Houle family on a motor holiday.

Several new houses are being constructed in the north end of Morinville this summer, and a large duplex is being finished in the south end. Craig's Manufacturing is building a large new warehouse east of its present shop building - 50 x 72 ft.

A welcome is extended to Corporal Marvin Sheppard, RCMP and family. Corporal Sheppard is taking over command of the local RCMP personnel, effective July 11. Corporal David Rooke is being transferred to Fort McLeod.

Gibbons Sports Day

By Gladys Morin

Just last was a cool cloudy day in Gibbons but the Sports Day went ahead on schedule. Starting with the parade getting underway at 10 a.m.

1st prize - Esso Chemical (Redwater Fertilizer Plant); 2nd prize - Brownies; 3rd prize - Nan and Keith's Better Meats. Best Bike (decorated) - 1st prize Teri Mabbitt; 2nd prize - Michelle Michalak.

Between showers the ball games went on, even though loads of sand were brought in to help dry the in-fields up for play.

Lamont Ladies won first prize in the ladies softball tournament. The mens baseball tournament was won by Bon Accord; second prize - Redwater and third - Boyle.

The Bon Accord Fire Department and Gibbons Fire Department had a very exciting softball game, ending in a tie. During which the draw was made for the Trip to Hawaii. The winning ticket was drawn by Mr. C. Brumfit of Gibbons, winner Bridget Hill, 12140 - 129 Street, Edmonton.

The dance July 1st was a very enjoyable affair with a capacity crowd. The pancake breakfast and cold plate supper put on by the Ladies Legion was well attended.

Despite numerous showers the Sports Days were successful. The Gibbons Recreation Board and Community Centre wishes to thank everyone who helped on the grounds and with all the activities and the parade.

Fete Au Village means two fun-filled days for visitors to Legal

A new attraction at the Fete Au Village this year is the Beer Gardens opening immediately after the parade. Entertainment in the Arena will be provided by local talent till 3 p.m. Then Chaparral goes on stage with their high popular country music sound till 6:30 p.m. At 9 p.m. everyone is invited to come and "Shake it" to the swinging music of the Mark 4. Meet your friends at Legal July 29 - 30.

Variety entertainment that will please everyone will be featured at Legal's festivities on July 29 - 30.

A program that will far surpass any in the past has been prepared for everyone's enjoyment.

For the horse lovers the Legal Pocho Riders will stage the Gymkhana that always draws large crowds

at Fete Au Village. Riders from throughout the district are entered in the various events of pole bending, stake race, flag picking and barrel race.

For all those baseball fans one of Northern Alberta's best baseball tournaments will start at 12 p.m. Saturday, with the finals at 6 p.m.

Sunday.

A horseshoe tournament goes on Saturday and Sunday afternoons.

Delicious food will be available for the whole family. Regardless of your taste there will be something for everyone: pancakes at the french cuisine, pizzas from the Pizza Shop, a favorite of the teens; salads, sandwiches, strawberry shortcake, pies etc., at the Tea Room and sizzling barbecue steaks served both days from 5 p.m. to 7 p.m. Come out and enjoy Legal's hospitality and these two fun filled days.

Changes made in WI handicraft contest

By Liz McLeod

The Handicraft Workshop that was held at Mrs. Sparrow's home in Wabamun was well attended by eight WI groups of District 11 on June 21. Mrs. V. Albrecht, Calahoo's handicraft convener, Mary Dalheim, constituency convener and Liz McLeod attended.

The rules were revised for this year's judging of handicraft. Each branch pays \$1 entry fee plus 10¢ per member in District 11 to cover expenses and prizes for District 11's convener Mrs. Frances Rhese and assistant Mrs. Donna Lystang of Roydale WI.

Each person may enter one item in each class. The individual prize is dropped this year and the constituency prize is calculated in

this manner. The number of entries over the total number of points, times the number of members in the branch.

This year's handicraft tea will be held at Winterburn Hall on October 18 at 2 p.m. with entries arriving the night before or before 10 a.m. that day.

Van de Vliet Wins Dairy Club Trophy

Two champions proudly show off their prize-winning entries at the Sturgeon Valley Dairy 4H Achievement Day held recently at the Bocock farm. At left is Alan Briggs of Gibbons who won the Reserve Champion award. At right is Henry Van de Vliet of St. Albert whose two-year-old was judged Grand Champion.

Henry Van de Vliet of St. Albert won the Grand Champion award last Monday, July 3 at the Sturgeon Valley Dairy 4H Achievement Day held at the Bocock farm. Henry won the top award with his two-year old dairy cow while Reserve Champion winner was Alan Briggs of Gibbons.

At the highly successful annual event, 14 members of the Sturgeon Valley Dairy Club exhibited beautiful specimens of livestock. Placing first in each of the four categories, namely calf, yearling, two year olds and

herds, the following walked away with top awards:--

Best calf, Alan Briggs; Best yearling, David Quwek; Best two year old, Henry Van de Vliet and Best herd, Alan Briggs.

Judges for the event were Matt Gibb who was in charge of all cattle judging while in charge of showmanship and grooming was Gary Blenert. No awards were actually made at the Achievement Day, as has been the custom for years, but on August 28 when the season will be concluded at a banquet held at Narmao, all

awards will be made for the entire season.

While exhibitors and visitors reached the finale of the Sturgeon Valley Dairy Club Achievement Day, everybody had an opportunity to visit the ultra-modern milking parlor on the Bocock Farm. Interest was especially centered around the new QTO (quarter take-off) milker. This device functions like conventional automatic milking units, with the exception that once a teat has been drained, the quarter unit ceases to pulsate, thus avoiding irritation.

Recreation News

Among those standing the reunion of the St. Albert High class 1952 June 23, were their teachers: Wilf Fitzpatrick, left, who is now supervisor of Tubbault School District in Morinville; Ted Tetreau, superintendent of Separate Schools in Vegreville; Guy Raboud, Sister Marguerite Cote, Superior at Grey Nuns regional centre in Edmonton, and Mrs. Cecelia Blair.

Past District Governor, Art Stapleton of Morinville officiated at the installation ceremony recently of three new members of the St. Albert Breakfast Lions. Two of the new members inducted are Tony Raven and Charles Van Elslande while the third was a transferee, Eugene Scantland from Blackfalds, Alberta.

Breakfast Lions all set for Seniors' Picnic

Past District Governor Angus Murray was in charge of the presentation of special awards to four Breakfast Lions who were responsible for recruiting new members during the months of January and February this year.

Past Governor Murray pinned awards on Lions John Huberdeau, Dr. W. Cuts, John Kaminski and Chuck Meurin.

The Sunday, July 16 Senior Citizen's picnic trip to Elk Island Park is all set and Lion President Stan Shottland says the bus and other transportation will be leaving the Community Hall at 9:30 a.m.

Lion Stan added that there are 45 senior citizens signed up for the holiday picnic

already and there's room for more. The bus can handle 36 passengers and volunteer Lions will also be on deck Sunday morning to take the overflow passengers to Elk Island.

There are still a few openings in a class for intermediates in the two-week session starting on Monday, July 17. Please enquire at the pool.

This is test week at the pool and the tests for pre-beginners and beginners will be held on Thursday, July 13. Those for the survival, junior, intermediate and senior levels will be held on Friday morning. Because of the length of times needed for the tests on Friday, there will be no mother and pre-school class held on that day. However, on Monday, July 17 at 11:30 a.m., a film on a mother and pre-school swim program will be shown in the library meeting room and participants in the first session will be able to attend, as well as those registered in the second session in July.

A Mile Swim will be held on Sunday evening at 9 p.m. Accommodation is limited so please register at the pool.

An advertisement will appear in next week's Gazette giving information about the instructional classes to be held in August. There will be two sessions of lessons for children and students: July 31 - August 11 and August 14 - 25. Red Cross lessons at all levels as well as those for mothers and pre-schoolers will be held between the hours of 8 a.m. and 12 noon.

Adult, diving, RLSS and synchronized swimming classes will be offered in the evenings on Tuesdays and Thursdays or Mondays, Wednesdays and Fridays, depending on the program. See the ad. next week of exact dates.

Registrations will be taken on Thursday and Friday, July 27 and 28 in the Clubhouse beside the swimming pool between 7 and 9 p.m. on each evening.

CHILDREN'S THEATRE

The Edmonton Experimental Theatre is coming to St. Albert on July 19 and 26 with a play for children called "Wild West Circus."

The company will perform at the Clubhouse on July 19 and at the Arts Centre (in Salisbury Park, behind Vital Grandin School) on July 26. There will be two performances on each of these two days: the first one at 2:30 p.m. and the second at 7 p.m. According to the publicity sheet issued by the company, "Wild West Circus" is a rock'em sock'em play for little folks featuring a bumbling deputy, an absent minded sheriff, a prim school matron and a gun-fighter who terrorizes the town of Brimstone. Fortunately Madame Lao, a mysterious Chinese mandarin appears on the scene and all works out happily."

Sounds like fun and children of all ages will bevel-so. There is no charge.

TENNIS

The young people who attend are thoroughly enjoying the junior tennis mor-

ning which is held on Tuesdays from 9:30 a.m. to 12 noon. There is no charge and two members of the Tennis Club, Mrs. Cynthia Sage and Miss Roberta Parsons have undertaken the organization

and supervision of the sessions. On Thursdays, ladies are invited to meet at 10 a.m. and play or practise without having to arrange a game beforehand.
